## SKILLS

- English, Japanese
- Communication and Problem - solving
- Teamwork and Interaction

## HONORS & AWARDS

### ● 2023

Honorable Student of Semester in Summer 2023

### ● 2022

Honorable Student of Semester in Fall 2022

## CERTIFICATIONS

### ● 2023

- Web Design for Everybody: Basics of Web Development & Coding
- Academic Skills for University Success

## OBJECTIVE

As a Software Engineering student at FPT University, I successfully complete subjects and practical projects, focusing on the web. I have good problem solving and teamwork skills honed through extracurricular activities and volunteer work. I want to find an environment to take advantage of my educational background and improve my skills to pursue a career in the next 2-3 years.

## EDUCATION

### ● FPT University
